

15 December 1948

Commander Grant H. Brown, USNR
President, Naval Armory Chapter, RQA,
351 East Ohio Street,
Chicago, Illinois

Dear Brown:

Thank you very much for your kind invitation in your letter of 1 December 1948 to address the Reserve Officers' Association about intelligence. At present I must decline because the less publicity any intelligence organization has, the better it will do its work, and there has been, in the past, altogether too much publicity on this subject.

While I appreciate the honor extended to me to address your chapter, I should like for you to extend an end to excuse me to your colleagues in the Naval Armory Chapter.

With best wishes, please believe me,

Sincerely,

as directed
